

us to waive collection of the overpayment, we may ask that evidence to support the request be submitted to us.

(c) *Review of the evidence.* After a timely submission of evidence by the overpaid individual, we will consider all available evidence related to the overpayment. If the overpaid individual has not requested a waiver we will make findings based on a review of the written record, unless we determine that the question of indebtedness cannot be resolved by a review of the documentary evidence. If the overpaid individual has asked us to make a waiver determination and our records do not show that after an oral hearing we had previously determined that he was at “fault” in accepting the overpayment, we will not deny the waiver request without first scheduling an oral hearing.

§ 404.523 Findings by SSA.

(a) Following the hearing or a review of the record, we will issue written findings which include supporting rationale for the findings. Issuance of these findings concerning whether the overpayment or part of the overpayment is past due and legally enforceable is the final Agency action with respect to the past-due status and enforceability of the overpayment. If we make a determination that a waiver request cannot be granted, we will issue a written notice of this determination in accordance with the regulations in subpart J of this part. Our referral of the overpayment to the Department of the Treasury will not be suspended under § 404.525 pending any further administrative review of the waiver request that the individual may seek.

(b) Copies of the findings described in paragraph (a) of this section will be distributed to the overpaid individual and the overpaid individual’s attorney or other representative, if any.

(c) If the findings referred to in paragraph (a) of this section affirm that all or part of the overpayment is past due and legally enforceable and, if waiver is requested, we determine that the request cannot be granted, we will refer the overpayment to the Department of the Treasury. No referral will be made

to the Department of the Treasury if, based on our review of the overpayment, we reverse our prior finding that the overpayment is past due and legally enforceable or, upon consideration of a waiver request, we determine that waiver of our collection of the overpayment is appropriate.

(a) *Notification by the overpaid individual.* An overpaid individual who intends to inspect or copy our records related to the overpayment as determined by us must notify us stating his or her intention to inspect or copy.

(b) *Our response.* In response to a notification by the overpaid individual as described in paragraph (a) of this section, we will notify the overpaid individual of the location and time when the overpaid individual may inspect or copy our records related to the overpayment. We may also, at our discretion, mail copies of the overpayment-related records to the overpaid individual.

§ 404.525 Suspension of offset.

If, within 60 days of the date of the notice described in § 404.521, the overpaid individual notifies us that he or she is exercising a right described in § 404.522(a) and submits evidence pursuant to § 404.522(b) or requests a waiver under § 404.506, we will suspend any notice to the Department of the Treasury until we have issued written findings that affirm that an overpayment is past due and legally enforceable and, if applicable, make a determination that a waiver request cannot be granted.
